

Field Team 6 - Iowa Brief

AERIAL VIEW: If we want to win the Battle of 2020, we absolutely must win in Iowa.

It is a **Triple Word Score State**, in play for the House, the Senate, and the White House.

- There is one remaining House seat we must flip - IA-04 (Steve King-R). The other 3 districts are Democratic - but they're all vulnerable and need defending.
- To flip the Senate Democratic, we *must* replace Senator Joni Ernst (R).
- Iowa is winnable in the Presidential race in 2020; Trump won Iowa in 2016 by a sizeable margin but Obama won Iowa in both 2008 and 2012.
- Iowa's all-important caucus is the 1st nomination convention in the nation—2/3/2020.

Iowa needs Democrats. This is a job for Field Team 6!

THE DEMOCRATIC PARTY...

- ...is the only major party fighting Trump and the Republicans, and...
- ...the only major party fighting for women's rights, civil rights, voting rights, labor rights.
- ...is fighting to expand health care rather than take it away.
- ...is fighting to make college more affordable, not less.
- ...is fighting to protect the environment, not sell it off to business interests.

Senator Joni Ernst (R)

- Votes in line with Trump 92% of the time, tried to defund Planned Parenthood in 2019.
- Lifetime environmental voting score of 1% from the League of Conservation Voters.
- Accepted \$3.1M from the NRA in campaign contributions as of 2017.

Congressman Steve King (R)

- Said "White nationalist, white supremacist... when did that become offensive?" Was stripped of all committee assignments by the Republican party for these comments.
- Associates with neo-Nazis, preaches extreme racism, votes w/Trump 93% of the time.

Paid for by Field Team 6 (www.fieldteam6.org) and not authorized by any candidate or candidate's committee.
