

Field Team 6 Donor Brief

Field Team 6 is a volunteer army on a mission: Register Democrats. Save the world.

We are the **one and only** national organization proudly registering Democratic voters all year, every year, in swing states where just a few votes decide elections. We are laser-focused on registering women, people of color, young people, and the LGBTQ+ community, to defeat the existential threat to our democracy and fulfill the promise of America.

THE BEST VALUE PROPOSITION IN ACTIVISM

After Field Team outreach, **2.3 million people have registered to vote as Democrats or independents**. Other orgs spend over 20x what we do to register a voter. We do it for a dollar a voter. These voters elected Biden in '20 and defied history in '22 to avert a Red Wave.

WHAT MAKES US UNIQUE

- We do partisan voter registration. We explain what Democrats stand for. We say candidates' names. 80% of our new voters are Democrats and independents.
- Our secret weapon: the first-of-its-kind database containing 9 million unregistered likely Democrats in swing states. The basis for all digital outreach!
- We use every outreach method there is: email, text, phone, geofencing, direct mail, targeted ads, social media storms, postcards, and live voter drives.
- 20k volunteers nationwide and a gung-ho volunteer staff of 120 activists who lead 25 specialized teams, stretching every donor dollar to the limit.

PROOF OF EFFICACY

In the '22 cycle we reached out to 5 million unregistered, likely Democrats. 1.57 million registered. 660,000 voted. We spent \$1.47M total, bringing our cost to 93¢ per new voter and **\$2.42 per vote**. That doesn't just beat every other model we've seen. **It breaks the paradigm.**

YOUR HELP COULD WIN IT ALL

Field Team 6 is a machine that mints Democrats. Your dollars are the fuel. Those new voters will win key races for school boards, state legislatures, the US House, Senate and White House – pass voting rights and abortion rights – and crush Trumpist fascism once and for all.

At \$1 per new voter, your support can literally swing elections.

For 2024, our goal is to raise \$3M to deliver 3M new Democrats and independents – in the battlegrounds where we need them the most.

Please partner with us today to save the democracy, and make as meaningful a contribution as you can. And let's win!
